

FITTING INSTRUCTIONS FOR RYCO CABIN FILTER RCA295P.
PEUGEOT 406

1. The cabin air filter is located in the engine bay below the windscreen inside the engine cowl.
2. Open the bonnet and refer to the plastic trim cover on the passenger side right after the windscreen. Unclip the trim by pulling up from the front and then slide out.
3. Grab the old filter and remove carefully to avoid any accumulated debris from being spread around and clean the area. Slide the new filter in making sure it faces to the correct air flow direction and refit all components in reverse order.
